PLENARY COUNCIL

We have held a couple of small gatherings in the parish over the last few weeks giving opportunities to people to speak about their experiences and listen to each other in the spirit of having an open heart and mind when we are considering **WHAT GOD IS ASKING OF US IN AUSTRALIA AT THIS TIME.**

The **bishops of Australia are asking us to all consider this question** and to provide a submission to the Plenary Council website for Australia-wide data to be collated so the agenda for the PC can be **set by the people**. We are having another parish-wide dialogue opportunity on **Wednesday 28th November at 7pm in the Parish Centre** to which you are all invited to come and participate.

To participate in the Plenary Council preparation is a **REALLY BIG THING** – **most likely it will be a ONCE IN A LIFETIME OPPORTUNITY** – **don't miss it and let it pass you by!**

FOUNDATION CUP 2018

In commemoration of the laying of our church's Foundation Stone (28 Nov 1999), we've put together a day of family fun!

We will be holding a morning of INDOOR games –

NO WALKING SOCCER!

There will be different activities, suitable for all ages! Gather family and friends, form a team of at least 5 players, and show off your skills! Still unsure? Check out the games on the noticeboard in the church foyer!

Have you registered your team yet?

An **AUTOMATED EXTERNAL DEFIBRILLATOR (AED)** is now available inside the church.

We have recently installed a defibrillator for use in an emergency when someone has stopped breathing. If those assisting commence CPR immediately, while another calls 000, and another quickly accesses and fits the defibrillator, this maximizes the chances the collapsed person will have of a successful recovery. The defibrillator can be fitted and used, if necessary, by untrained people as when it is switched on it provides verbal instructions and confirmation of the effectiveness of the pads attachment, tells whether defibrillation is necessary and prompts those helping by giving step by step instructions, timing and effectiveness of chest compressions and gives feedback as to what needs to be done until an ambulance arrives.

The defibrillator is kept in a cabinet in the Servers Sacristy alongside our new First Aid Kit. An instructional video is available for viewing should you be interested in seeing how the defib operates, by accessing: <http://mbf.cc/tAVKCG>.

We have a single parishioner who is seeking to rent a room (preferably from a fellow parishioner) in reasonably close proximity to the church.

If you are able to help out or know someone who may be able to, please phone **Michael** on **0447 252 461**.

The Archbishop's Christmas Appeal for LifeLink will be held next weekend on 17/18 November 2018

Please collect your copy of Archbishop Costelloe's personal letter at Mass this weekend, read his message during the week and give generously to support the valuable work of our Archdiocesan social service agencies.

You can mail your donation directly in the reply-paid envelope provided, or return your envelope and donation for a Special Collection which will be held at Mass next weekend.

You may also donate (securely) online by credit card at www.lifelink.com.au

Jesus Youth Perth will be hosting a **Worship Concert at Murdoch University, Saturday 1 December**. This concert will be conducted by the Music Ministry of Jesus Youth Perth. This event is open for all. *Further info: Jina Francis, Jesus Youth Coordinator 0412 523 054.*

All Masses during the month of November are offered for all souls

This is an annual opportunity for us to pray for many souls, but because of the long list of names, the priests do not announce any names at the Masses but only refer to "all souls offered through the November envelopes".

Those involved in our **Planned Giving** would already have a **November envelope**. Those who are not yet in the programme can simply put an offering into a November Mass Intention envelope which are available in the foyer of the church, and then place it in the purple **November Mass box** (located to the side of the Sanctuary) for the whole month.

We extend a warm Mater Christi welcome to new parishioners and visitors!
